vote on a Resolution is cast, a Member shall not be allowed to change it subsequently.

23. The route map showing directions to reach the venue of the Annual General Meeting is annexed.

24. THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:

- (i) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (ii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

VALLEY MAGNESITE COMPANY LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VALLEY MAGNESITE COMPANY LIMITED

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Valley Magnesite Company Limited ("the Company") which comprises the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone Ind AS financial statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income,

VALLEY MAGNESITE COMPANY LIMITED

changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS financial statement

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the standalone Ind AS financial statements is included in Annexure A. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, and the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information

VALLEY MAGNESITE COMPANY LIMITED

and according to the explanations given to us, no remuneration has been paid/provided by the Company to its directors during the year.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements, if any.
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries') with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ('Funding Parties') with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our attention that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above, contain any material misstatement.
 - v) The company has not declared or paid any dividend during the year and therefore compliance of section 113 of the Companies Act, 2013 is not required.
 - vi) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, the company have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

Annexure - A to the Auditors' Report

Responsibilities for Audit of Financial Statement

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the standalone financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

VALLEY MAGNESITE COMPANY LIMITED

Annexure - C to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **VALLEY MAGNESITE COMPANY LIMITED ("the Company")** as of 31 March 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded

VALLEY MAGNESITE COMPANY LIMITED

as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VALLEY MAGNESITE COMPANY LIMITED

Notes to the Financial Statements for the year ended 31st March, 2025

NOTE - 1

CORPORATE INFORMATION

Valley Magnesite Company Limited ('the Company') is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act, 2013. Its shares are listed in two stock exchanges in India. The registered office of the company is located in 402, Mangalam, 24/26, Hemanta Basu Sarani, Kolkata - 700001. The company is primarily engaged in the business of Investment in Mutual Funds and shares.

SIGNIFICANT ACCOUNTING POLICIES

a) Statement of Compliance

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act (as amended from time to time).

b) Basis of Preparation of Financial Statements

These financial statements have been prepared on a going concern basis, using the historical cost conventions and on an accrual method of accounting except for certain assets and liabilities that are required to be measured at fair value by Ind AS.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act

c) Use of Estimates

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

d) Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment are carried at cost, less accumulated depreciation and impairments losses.

Costs includes purchase price/acquisition cost (including import duties and non-refundable purchase taxes but after deducting trade discounts and rebates), borrowing cost (if capitalization criteria are met) and all other direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the cost of the property, plant and equipment.

e) Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment loss, if any. Intangible assets are amortized on straight line method basis over the estimated useful life on pro rata basis.

f) Depreciation

Depreciation is calculated on the cost of property, plant and equipment less their residual value using Straight Line Method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions to or on disposal of assets is calculated on pro-rata basis. Assets held for sale are not depreciated.

g) Derecognition of property, plant and equipment and intangible assets

An item of property, plant and equipment/intangible assets is derecognised upon disposal and any gain or loss on disposal is determined as the difference between the sale proceeds and the carrying amount and is recognised in the Statement of Profit and Loss. The cost and the related accumulated depreciation are eliminated upon disposal of the asset.

h) Impairment of property, plant and equipment and intangible assets

An item of property, plant and equipment/intangible assets is treated as impaired when the carrying value of

VALLEY MAGNESITE COMPANY LIMITED

Notes to the Financial Statements for the year ended 31st March, 2025

the assets exceeds its recoverable value, being higher of the fair value less cost to sell and the value in use. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

i) Inventories

Stock in Trade are valued at the lower of cost and net realisable value, after providing for obsolescence, where appropriate. The comparison of cost and net realisable value is made on item-by-item basis. Cost of inventories include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. Cost is computed on a first-in-first-out basis. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale. Packing materials are valued at cost computed on weighted average basis.

j) "Classification of Assets and Liabilities as Current and Non Current"

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is expected to be realised or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realised within twelve months after the reporting period, or Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

An liability is treated as current when, It is expected to be settled in normal operating cycle, It is held primarily for the purpose of trading, It is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

k) Financial Instruments

(i)Initial recognition and measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are subsequently measured at fair value through profit or loss are recognised immediately in the statement of profit or loss.

(ii)Subsequent measurement

A.Financial Assets

Financial assets are classified into the specified categories:

a)Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.

b)Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c)Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. However, if the company,s management has made an irrevocable election to present the equity investments at fair value through other comprehensive income then there is no subsequent reclassification of fair value gains or losses

VALLEY MAGNESITE COMPANY LIMITED

Notes to the Financial Statements for the year ended 31st March, 2025

to the statement of profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

B. Financial Liabilities

After initial measurement at fair value, the financial liabilities are subsequently measured at amortised cost using the effective interest rate (EIR) method where the time value of money is significant, except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.

(iii) Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to lifetime expected credit losses is recognised if the credit risk has significantly increased since initial recognition.

The company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates on any other appropriate basis.

(iv) Derecognition of Financial Instruments

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

The company derecognises a financial liability only when the company's obligations are discharged, cancelled or they expire.

l) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade allowances, rebates and amounts collected on behalf of the third parties.

Revenue from the sale of goods is recognised when significant risks and rewards of ownership have been transferred to the buyer and the amount of revenue can be reliably measured and recovery of the consideration is probable.

Insurance Claims are accounted for on receipt basis or as acknowledged by the appropriate authorities.

Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using effective interest rate.

m) Employee Benefits

(i) The company contributes to the employee's provident fund maintained under the Employees Provident Fund Scheme of the Central Government and the same is charged to the Profit & Loss Account. The company has no obligation, other than the contribution payable to the provident fund. The company also contributes to the employees state insurance fund maintained under the "Employees State Insurance Scheme" of the Central Government and same is also charged to the profit & loss account.

(ii) Gratuity Liability has been provided on the basis of actuarial valuation. The company does not contribute to any fund for gratuity for its employees. The cost of providing benefits is determined on the basis of actuarial valuation at each year end using projected unit credit method. Actuarial gain and losses is recognized in the period in which they occur in other comprehensive income. The current service cost and net interest on the net defined benefit liability/(asset) is treated as an expense and is recognised in the statement of profit or loss.

n) Foreign Currency Transactions

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, transactions in foreign currencies are recorded at the rates of exchange prevailing on the date of the transaction.

At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Exchange differences arising either on settlement or on translation is recognized in the Statement of Profit and Loss except in cases where they relate to acquisition of

VALLEY MAGNESITE COMPANY LIMITED

Notes to the Financial Statements for the year ended 31st March, 2025

fixed assets in which case they are adjusted to the carrying cost of such assets.

The premium or discount arising at the inception of forward exchange contract is amortized and recognized as an expenses / income over the life of the contract.

o) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amount used for taxation purpose (tax base), at the tax rates and law that are enacted or substantively enacted as on the balance sheet date.

p) Provisions, Contingent Assets and Contingent Liabilities

A provision is recognized when there is a present obligation as a result of past event, that probably requires an outflow of resources and a reliable estimate can be made to settle the amount of obligation. These are reviewed at each year end and adjusted to reflect the best current estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liabilities are not recognised but disclosed in the financial statements.

Contingent assets are neither recognised nor disclosed. However, when realisation of income is virtually certain, related asset is recognised.

q) Earnings Per Share

Basic and Diluted Earnings per shares are calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

r) Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

s) Operating Segment

Operating Segments are reported in a manner consistent with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole. The analysis of geographical segments is based on the areas in which customers of the company are located.

t) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

u) Non-current assets held for sale

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in relation to its current fair value. The Company must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Note-30 (Contd)

Explanation for change in variance in ratio for more than 25% as compared to the preceeding year

Note - 1

The company's current ratio has decreased in the current year as compared to previous year due to increase current financial liability for provision of taxation and advances received at the end of current year

Note - 2

The decrease in ratio is due to decrease in income during the year due to less increase in fair value of current investment.

NOTE - 31

EMPLOYEE BENEFITS

A. The defined benefit plans expose the company to a number of actuarial risks such as : Investment Risk, Interest Risk, Longevity Risk and Salary Risk

Longevity Risk : The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality of participants both during and after their employment. An increase in the life expectancy of the participants will increase the liability.

Salary Risk : The present value of the defined benefit liability is calculated by reference to future salaries of participants. As such, an increase in the salary of the participants will increase the liability.

FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

(a) Capital Management

The Company's objective when managing capital (defined as net debt and equity) is to safeguard the Company's ability to continue as a going concern in order to provide returns to shareholders and benefit for other stakeholders, while protecting and strengthening the Balance Sheet through the appropriate balance of debt and equity funding. The Company manages its capital structure and makes adjustments to it, in light of changes to economic conditions and strategic objectives of the Company.

(b) Categories of Financial Instruments

(Amount in 000)

The carrying value and fair value of financial instruments by categories is as follows :

Particulars	As At 31st March, 2025		As At 31st March, 2024	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial Assets				
Measured at Fair Value through Profit or Loss

© Fair Value Measurement and Fair Value Hierarchy

Fair Value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if

VALLEY MAGNESITE COMPANY LIMITED

Notes to Financial Statements for the year ended 31st March, 2025

NOTE - 33 (Contd.)

there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

(Amount in 000)

Particulars	Fair Value Hierarchy	AS AT 31st March, 2025	AS AT 31st March, 2024
Financial Assets			
Measured at Fair Value through Profit or Loss			
Mutual Funds	1	82906	77916
Measured at Fair Value through Other Comprehensive Income			
Quoted Equity Shares	1	37	37
Unquoted Equity Shares	3	800	800

"The management assessed that loans, cash and cash equivalents, trade receivables, borrowings, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments."

(d) Financial Risk Management

The Company's financial liabilities comprise trade and other liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets include trade and other receivables, cash and cash equivalents.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include trade payables, trade receivables, etc.

(b) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, loans, cash and cash equivalents, bank deposits and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

(c) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
